Education

The Pennsylvania State University

Bachelor of Science in Recreation, Park and Tourism Management

May 2025

Commercial Recreation and Tourism Management Option

State College Area High School

June 2020

Relevant Course Work

Video Field Production

Spring 2023

- Learned and practiced the managerial aspects of production: budgeting, topic and location scouting, casting, and releases
- Coordinated with 30 classmates, scheduling of limited equipment in a restricted time frame (DSLR video cameras and tripod)
- Filmed and edited footage in Adobe Premiere and Adobe After Effects

Radio Practicum

Fall 2022

- Hosted a weekly radio show on the school's radio station; wrote a script for each show
- Operated sound and streaming equipment (control board, microphones, Adobe Audition)

Work Experience

Blue and White Bottle Shop and Pub

August 2023-Present

Associate

- Set up displays and organize promotional material to capture customers' attention
- Assist with brand specific promotional tastings of product
- Verify that the customer base is 21+ by checking ID's

Bradley's Cheesesteaks and Hoagies

September 2019-April 2020

Team Leader

January 2022-August 2023

- Recorded and prepared large catering orders, made sure orders were executed accurately
- Trained and mentored younger employees and modeled a strong work ethic
- Took orders, prepared food, and distributed food to customers in a timely manner

Special Olympics Tennis

Spring 2012-Spring 2018

Volunteer

- Set up tents, tables and food for tennis events
- Assured that athletes had easy access to water
